

# MTB WHEELS SPOKES REFERENCES

<b>Crossland 98</b>	Front	255	M40022	10	Straight pull, round, double butted, round head, inox
	Rear FW side	273	M40023	10	Straight pull, round, double butted, round head, inox
	Rear OFW side	255	M40022	10	Straight pull, round, double butted, round head, inox

<b>Crossmax</b>	Front	255	M40020	10	Straight pull, round, double butted, round head, black
	Rear FW side	273	M40021	10	Straight pull, round, double butted, round head, black
	Rear OFW side	255	M40020	10	Straight pull, round, double butted, round head, black

<b>Crossmax Disc</b>	Front Disc side	273	M40206	10	Straight pull, round, double butted, round head, black
	Front Opposite Disc side	255	M40208	10	Straight pull, round, double butted, oval head, black
	Rear FW side	273	M40206	10	Straight pull, round, double butted, round head, black
	Rear OFW side	275	M40207	10	Straight pull, round, double butted, round head, black

<b>Deemax</b>	Front	273	M40206	10	Straight pull, round, double butted, round head, black
	Rear FW side	273	M40206	10	Straight pull, round, double butted, round head, black
	Rear OFW side	273	M40206	10	Straight pull, round, double butted, round head, black

<b>Crosslink</b>	Front	257	M40307	10	Straight pull, round, double butted, oval head, black
	Rear FW side	275	M40207	10	Straight pull, round, double butted, round head, black
	Rear OFW side	257	M40307	10	Straight pull, round, double butted, oval head, black

<b>Crosslink Disc</b>	Front Disc side	273	M40206	10	Straight pull, round, double butted, round head, black
	Front Opposite Disc side	255	M40208	10	Straight pull, round, double butted, oval head, black
	Rear FW side	273	M40206	10	Straight pull, round, double butted, round head, black
	Rear OFW side	275	M40207	10	Straight pull, round, double butted, round head, black

<b>Crossride and Crossride Ceramic</b>	Front	255	M40208	10	Straight pull, round, double butted, round head, black
	Rear FW side	275	M40207	10	Straight pull, round, double butted, round head, black
	Rear OFW side	275	M40207	10	Straight pull, round, double butted, round head, black

<b>Crossmax UST</b>	Front	255	M40683	10	Straight pull, profiled, zical, black
	Rear FW side	245	M40684	10	Straight pull, profiled, zical, black
	Rear OFW side	274	M40685	10	Straight pull, profiled, zical, black

<b>Crossmax UST Disc</b>	Front	268	M40689	12	Straight pull, profiled, zical, black
	Rear FW side	250	M40690	12	Straight pull, profiled, zical, black
	Rear OFW side	268	M40689	12	Straight pull, profiled, zical, black

<b>Crossroc</b>	Front	251	M40616	10	Bent, round, black, ABS type nipples
	Rear FW side	265	M40618	10	Bent, round, black, ABS type nipples
	Rear OFW side	265	M40618	10	Bent, round, black, ABS type nipples

<b>Crossroc Disc</b>	Front	260	M40617	12	Bent, round, black, ABS type nipples
	Rear FW side	260	M40617	12	Bent, round, black, ABS type nipples
	Rear OFW side	260	M40617	12	Bent, round, black, ABS type nipples

<b>Crossmax SL</b>	Front	255	M40751	9	Straight pull, profiled, zical, silver, integrated nipple with polypropylene brake rings
	Rear FW side	245	M40753	10	Straight pull, profiled, zical, silver, integrated nipple with polypropylene brake rings
	Rear OFW side	274	M40755	10	Straight pull, profiled, zical, silver, integrated nipple with polypropylene brake rings

<b>Crossmax SL Disc</b>	Front	268	M40743	12	Straight pull, profiled, zical, silver, integrated nipple with polypropylene brake rings
	Rear FW side	250	M40745	12	Straight pull, profiled, zical, silver, integrated nipple with polypropylene brake rings
	Rear OFW side	268	M40743	12	Straight pull, profiled, zical, silver, integrated nipple with polypropylene brake rings

<b>Crossmax XL</b>	Front	255	M40727	9	Straight pull, round, zicral, black, integrated nipple with polypropylene brake rings
	Rear FW side	245	M40729	10	Straight pull, round, zicral, black, integrated nipple with polypropylene brake rings
	Rear OFW side	274	M40731	10	Straight pull, round, zicral, black, integrated nipple with polypropylene brake rings

<b>Crossmax XL Disc</b>	Front	268	M40715	12	Straight pull, round, zicral, black, integrated nipple with polypropylene brake rings
	Rear FW side	250	M40717	12	Straight pull, round, zicral, black, integrated nipple with polypropylene brake rings
	Rear OFW side	268	M40715	12	Straight pull, round, zicral, black, integrated nipple with polypropylene brake rings

<b>Deemax UST</b>	Front and Rear	276	M40735	14	Straight pull, round, inox black, double butted, ABS type nipples
-------------------	----------------	-----	--------	----	---

<b>Crossmax Enduro</b>	Front	258	323 438 01	9	Straight pull, round, inox black, integrated aluminium nipple with polypropylene brake rings
	Rear FW side	279	323 439 01	10	Straight pull, round, inox black, integrated aluminium nipple with polypropylene brake rings
	Rear OFW side	279	323 439 01	10	Straight pull, round, inox black, integrated aluminium nipple with polypropylene brake rings

<b>Crossmax Enduro Disc</b>	Front	273	323 440 01	12	Straight pull, round, inox black, integrated aluminium nipple with polypropylene brake rings
	Rear FW side	273	323 440 01	12	Straight pull, round, inox black, integrated aluminium nipple with polypropylene brake rings
	Rear OFW side	273	323 440 01	12	Straight pull, round, inox black, integrated aluminium nipple with polypropylene brake rings

<b>Crossland 04 Silver</b>	Front	270	323 437 01	12	Straight pull, round, inox, double butted, ABS type nipples
	Rear FW side	270	323 437 01	12	Straight pull, round, inox, double butted, ABS type nipples
	Rear OFW side	270	323 437 01	12	Straight pull, round, inox, double butted, ABS type nipples

<b>Crossland 04 Black</b>	Front	270	323 601 01	12	Straight pull, round, inox black, double butted, ABS type nipples
	Rear FW side	270	323 601 01	12	Straight pull, round, inox black, double butted, ABS type nipples
	Rear OFW side	270	323 601 01	12	Straight pull, round, inox black, double butted, ABS type nipples
