MOTOBÉCANE NOBLY

Distinctively classic in design. Built for comfort with easy-reach handlebar, soft saddle, streamlined fenders and handy carrier. Made for those who demand a noble ride.

NOMADE

Definitely French. Light and beautiful. For those who demand the most without any sacrifice in MotoBecane's high quality standard of fine 10 speed bicycles.

MOTOBÉCANE **MIRAGE**

Beautifully detailed, showing the high quality in design and workmanship. Constructed of "1020" light weight steel tubing and equipped with fine European components, coupled by the wide ratio alloy derailleur, to make riding a real pleasure.

Light, resilient and under 27 lbs. Frame built with "1020" tubing and completely fitted with choice alloy components. It is certainly made to be light for smooth, long rides.

GRAND TOURING

GRAND JUBILE

Hand built for the connoisseur with maximum detail. 531 Reynolds tubing, beautifully crafted Nervex Professional lugs, painstakingly fitted with selected fine European alloy components.

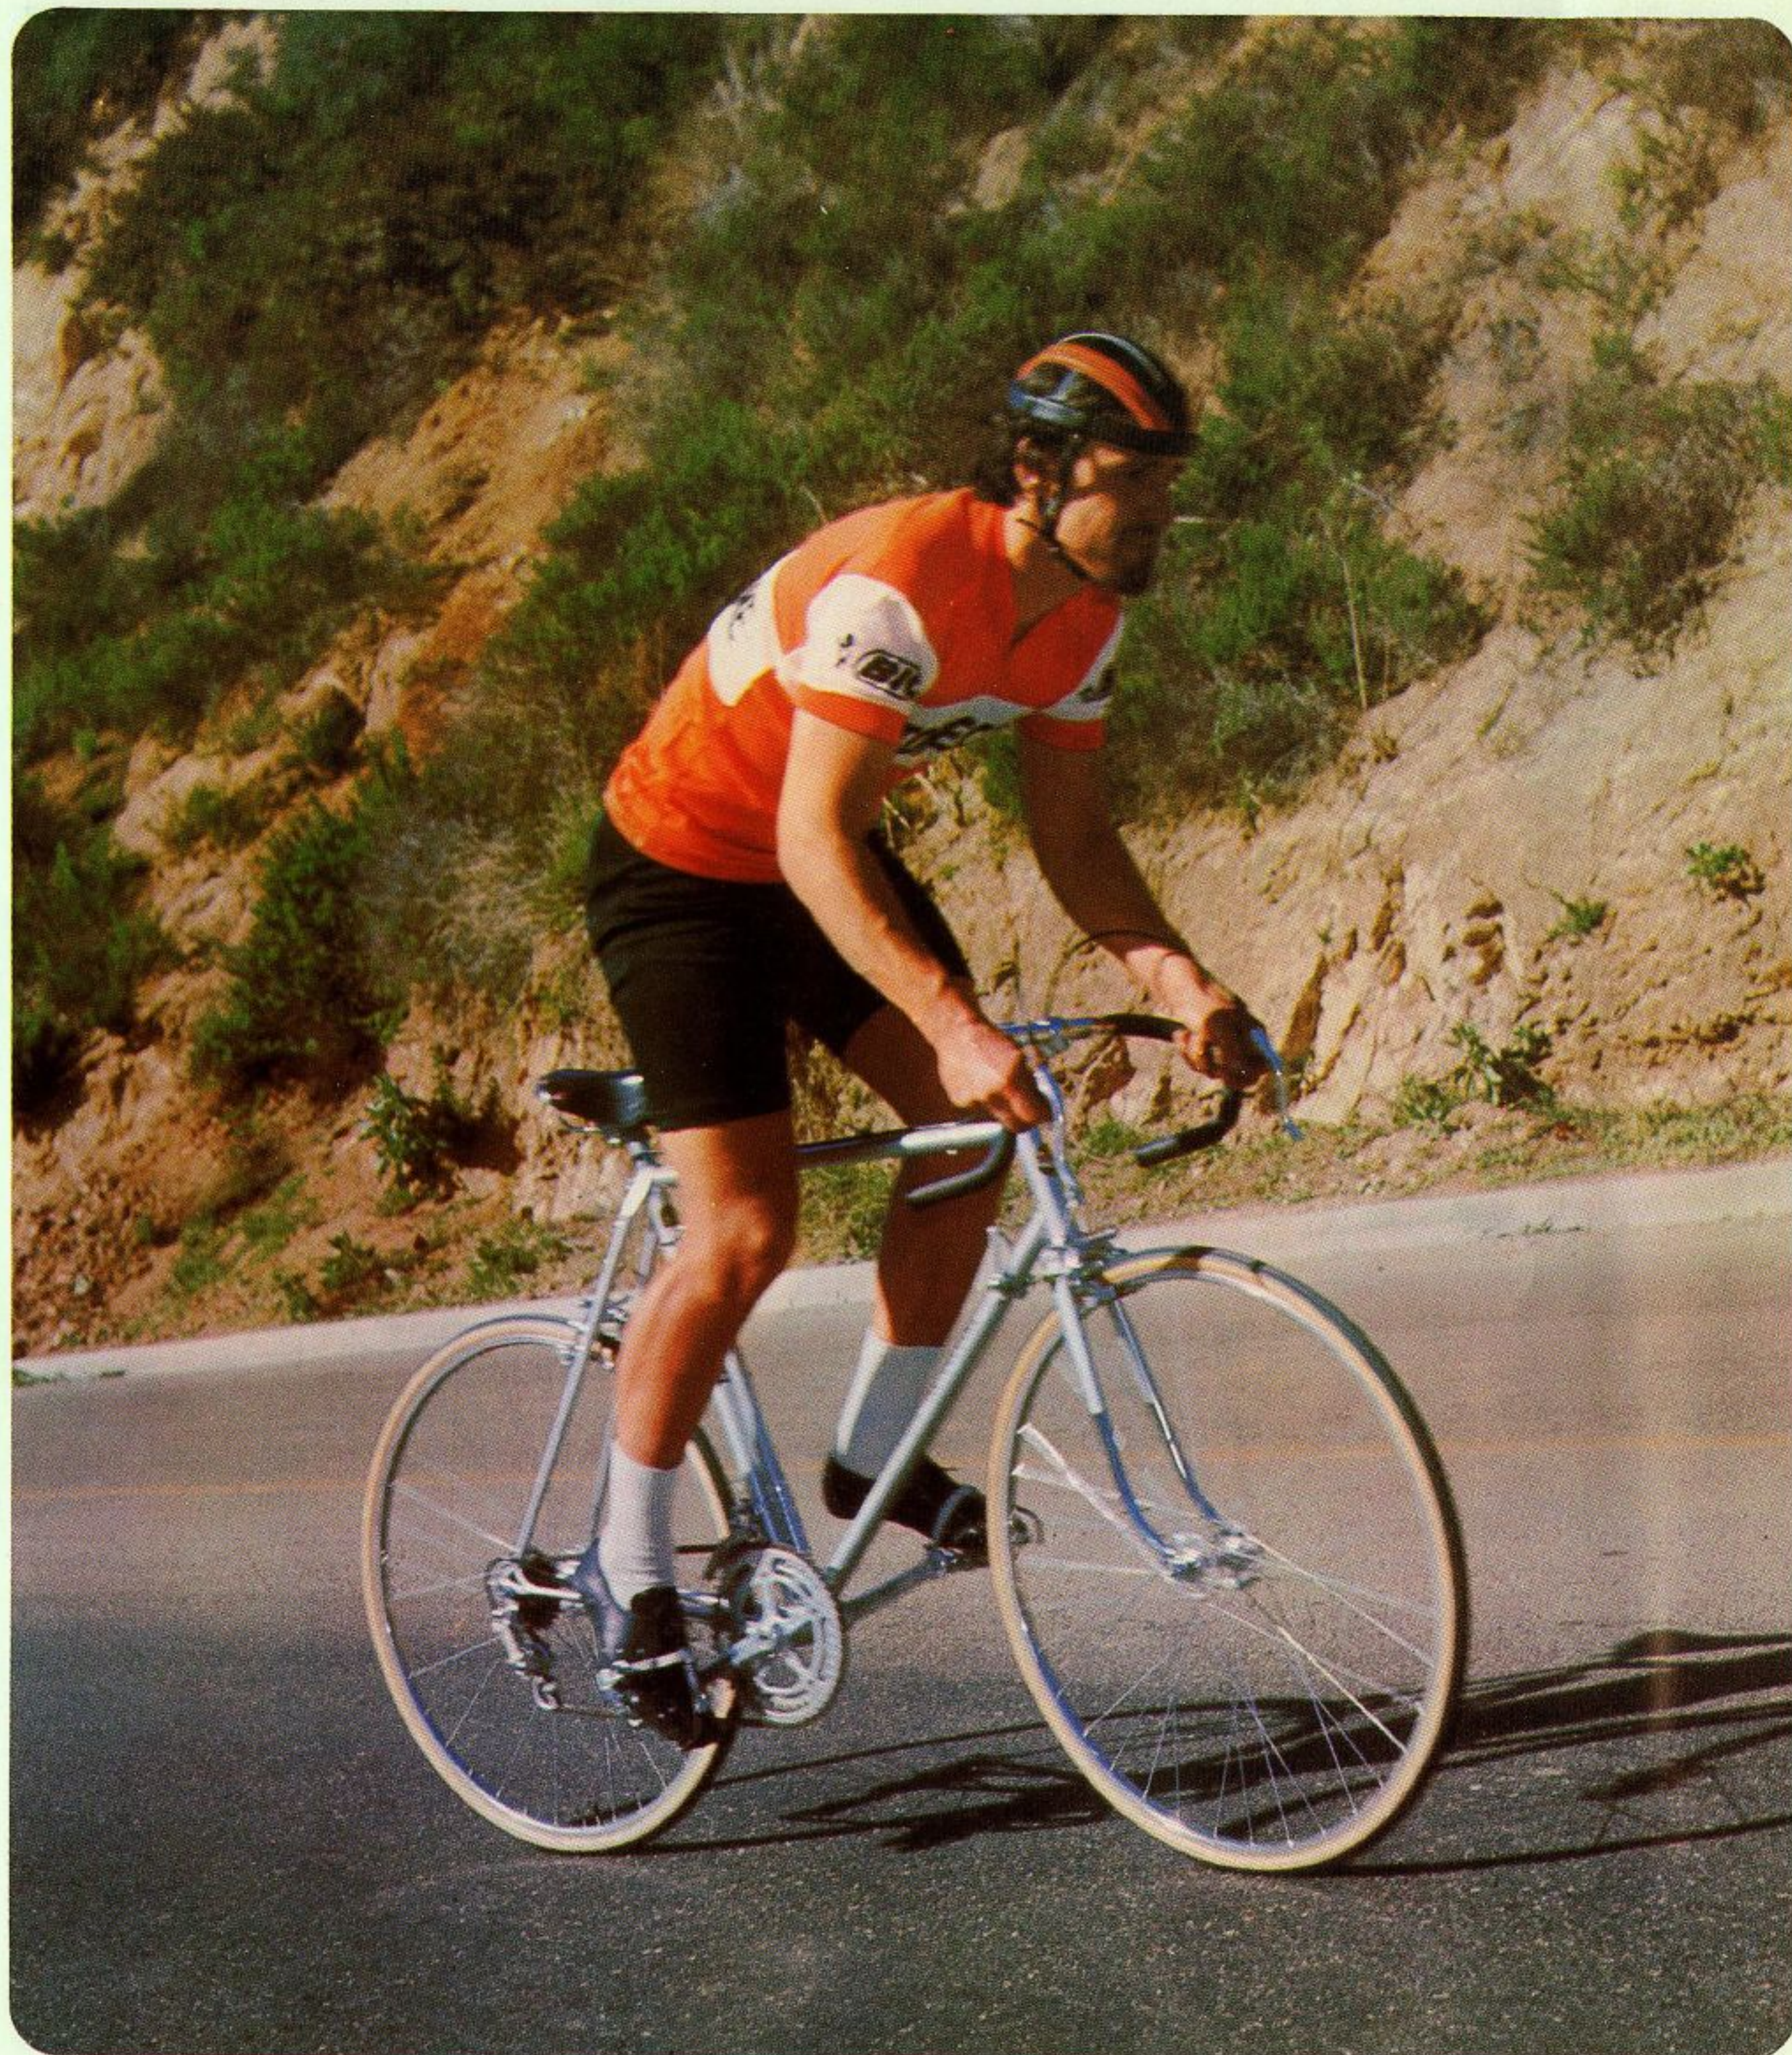

GRAND RECORD

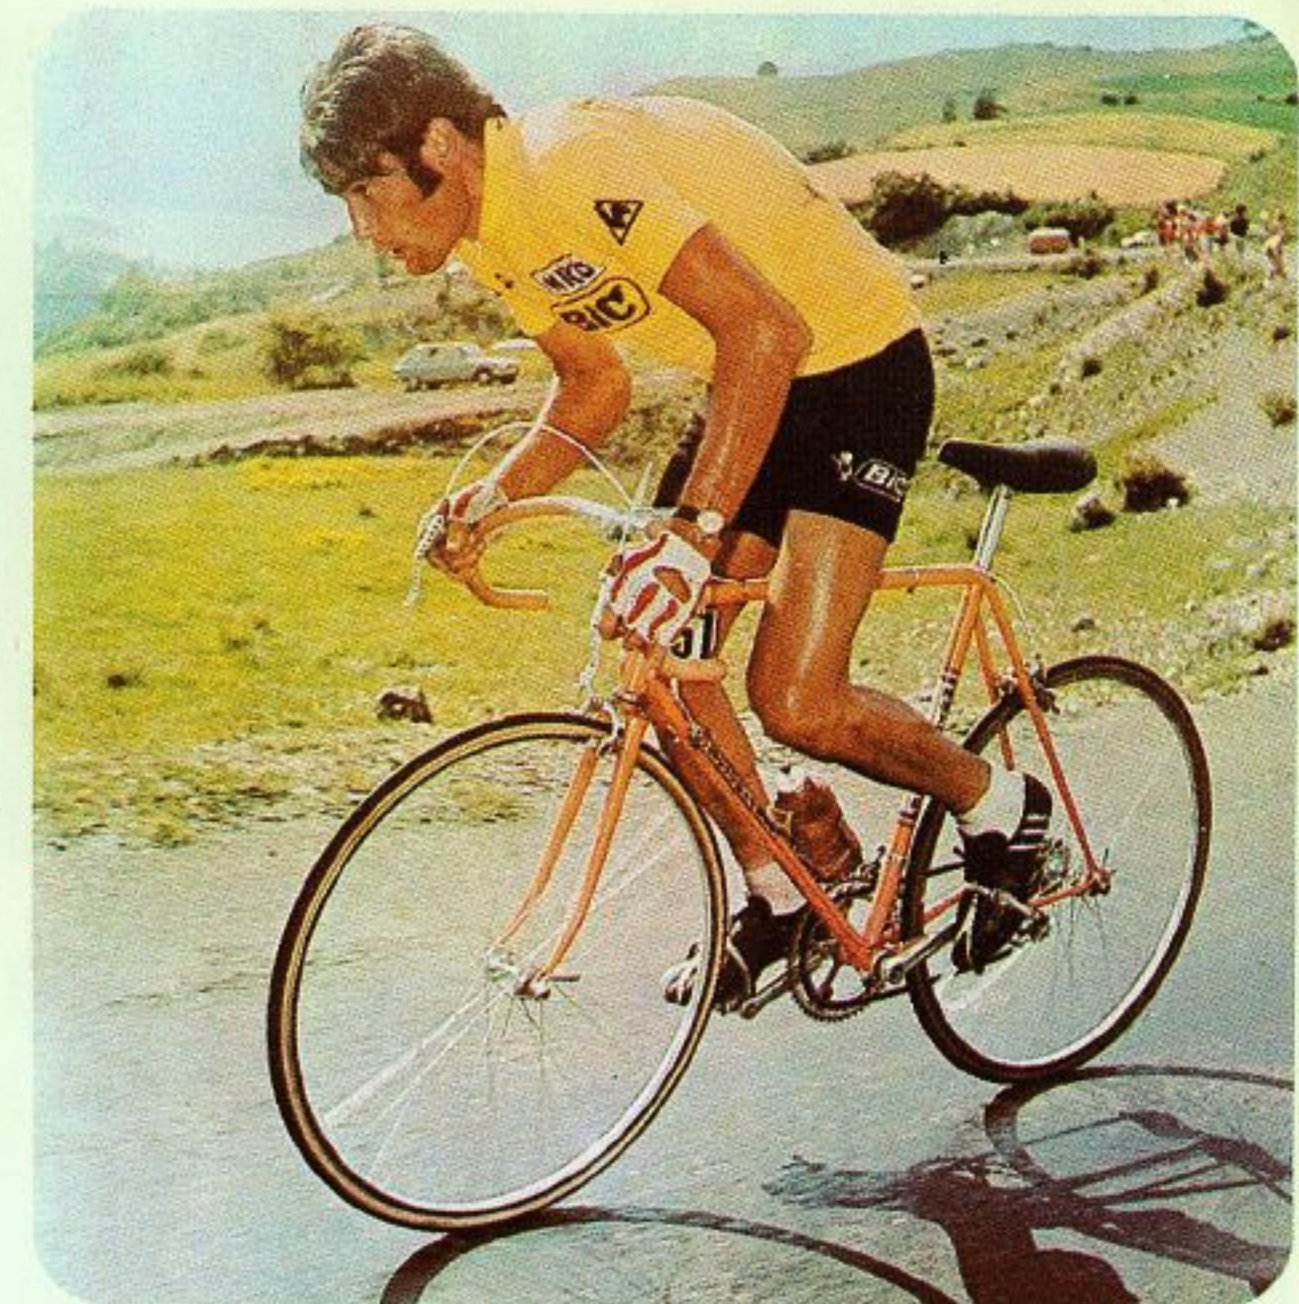

It is definitely for the cyclist
who demands the ultimate in
performance, whether in touring
or racing. A combination many
riders seek but which often
is very difficult to find.

LE CHAMPION

Elegant and fast. It is a performance machine built with 531 Reynolds double-buttressed tubing throughout. Fitted with Campagnolo Nuovo Record group, Universal 61 brakes, Paris Roubaix tubular. Without doubt it is handcrafted and designed to please the sophisticated cyclist.

Luis Ocana and his Motobecane "Team Champion" bicycle sped to victory in 1973 in the famed Tour de France.

TEAM CHAMPION

Strictly a racing machine, limited in production. Made for Motobecane racing team. Exported to the U.S. whenever possible.

MOTOBÉCANE

TANDEM

For touring and sport, it doubles the pleasure of bicycling together.

RIVIERA

3-speed folding, designed for everyone in the family to enjoy by simply adjusting the handlebar and the seat. It is easy to carry in a car, camper, or a boat and fun to ride anywhere.
