# Boardwalk 24

Remember the days of hiking a leg high when climbing on a bicycle? Torker's low step-thru frame barely makes you lift a leg when hopping on board. Available in argyle-purple or argyle-red/silver, and equipped with a cushy cruiser saddle and 24" wheels.,

# Boardwalk 26

The larger-wheeled 26" version of the Boardwalk Step-Thru provides the same low-slung frame design to make it virtually effortless to hop on for whatever commute you have in mind. The large, padded saddle makes for pure comfort, while the argyle-patterned colors in misty-blue or peach make this bike stand out amongst all others.

# Boardwalk 26

The classic Mens Boardwalk is a sleek, single speeder with the kick-back coaster-brake able to stop you on a dime and give you 9 cents change. Traditional frame design, with fenders to match, and a comfort saddle that will enable you to ride for hours on end.

# Boardwalk 3

Starring low maintenance Shimano 3-speed gearing and twist-shift, lightweight alloy rims and springer saddle, the Boardwalk-3 will get you up and down the hills in style and comfort. Available in both the traditional frame design or easy-to-mount step-thru design.

# *Boardwalk 7*

Lightweight alloy frame and components! Shimano 7 Speed gears, 26" wheels, stainless steel spokes and a comfort saddle. Traditional or step thru frames.

# Bermuda RS

All new easy riding, ultra comfortable design that allows you to "remain seated" at all times on the bike. Featuring a combination of relaxed frame styling, adjustable stem and forward crank position. Available in Single or 3 Speed versions, stainless steel spokes, comfort saddle and 26" wheels

# *Bermuda Tandem*

The Bermuda 7 Speed, twist-shifting tandem will offer your family generations of cycling fun with its top-quality components found only on specialty bicycles, comfort saddle and 26" wheels.

# Big T

Industrial strength! Features heavy duty 26" alloy wheels with 12 gauge spokes, rustless chain, stainless steel fenders. Single speed, tough steel frame, comfort saddle.

# *Tristar*

Carry away your purchases from the local farmers market with the large rear basket. The Tristar comes with a coasterbrake and front hand brake with parking brake, generously sized comfort saddle, 24" wheels, stainless steel spokes, tough steel frame, and optional rear fenders. Available with a Shimano single speed or three speed.

# Unistar

*CX16* 16" Wheeled Uni with a quick release seatpost, cotterless cranks, precision hub bearings, available in Vivid Orange, Vivid Yellow, Vivid Blue or Chrome.

*CX20*

Torker's classic 20 inch wheeled unicycle features a quick release seatpost, cotterless cranks, precision hub bearings, available in Vivid Orange, Vivid Yellow, Vivid Blue or Chrome.

*CX24*

Want 24 inch wheels? Quick release seatpost, cotterless cranks, precision hub bearings, available in Vivid Orange, Vivid Yellow, Vivid Blue or Chrome.
